

## **Clinical academic pay scales (England) from 1 April 2023**

### **1. Summary of changes**

The salary scales for medical and dental consultants have been increased by 6.0% to basic pay following the government decision on the recommendations of the Doctors' and Dentists' Review Body. The pay uplifts are effective from 1 April 2023.

Salary scales for doctors and dentists in training have been increased by 6% to basic pay plus an additional consolidated increase of £1,250 to each pay point from 1 April 2023. The values of flexible pay premia also increased by 6% effective from 1 April 2023.

The values of National Clinical Impact Awards (NCIAs), National Clinical Excellence Awards (NCEAs) pre-April 2022, Local CEAs under the pre-April 2018 scheme, Local CEAs granted between April 2018 to March 2021, discretionary points and distinction awards remain unchanged. The value of Local CEAs from 1 April 2022 will be determined locally.

For details on how to apply the 'new' (post-2016) pay system for clinical academic trainees, and the associated transitional arrangements, please see the relevant [UCEA pay briefing](#) (updated 2019). Please note that the figures in the updated pay briefing still relate to the 2016 nodal pay points.

5	ST4 – ST8 (Dental specialty training)	58,398	63,152

Note: in dental specialties only, dentists begin Specialty Training at ST1 following Dental Core Training, instead of ST3/4. This is purely a result of nomenclature used in dental training. Therefore, **all** dentists in Dental Specialty Training (ST1 onwards) should be placed on nodal point 4.

\*For doctors in Oral and Maxillofacial Surgery training programmes, refer to the Doctors in training table above

\*\* Dentists in training at ST4 and ST5 are on Nodal point 5 with effect from 1 April 2022

#### 4. Flexible pay premia (for application to trainees on the new pay system only)

Pay premia (applicable only to the new pay system)				
Premium	Full-time, annual value 2022	Full-time, annual value* 2023	Eligibility	Notes
Academia	£4,461	£4,729	Paid following successful completion of a higher degree and return to clinical training	Full details on eligibility criteria have been agreed by NIHR, HEE, the Department of Health and NHS Employers. See the <a href="#">UCEA website for a copy</a> .
Dual qualification - OFMS	Between £2,789 and £7,435** per annum	Between £2,956 and £7,881** per annum	Payable in the NHS to oral and maxillofacial surgery trainees at ST3 and above only	As per paragraphs 42-44 of Schedule 2 of the NHS contract
Hard to fill training programmes	<u>Psychiatry</u> : £3,718 per annum for core training. £2,789 per annum for a 4 year higher training programme £3,718 per annum for a 3 year higher training programme. <u>Emergency Medicine</u> : as dual qualification above	<u>Psychiatry</u> : £3,941 per annum for core training. £2,956 per annum for a 4 year higher training programme, £3,941 per annum for a 3 year higher training programme. <u>Emergency Medicine</u> : as dual qualification above	Currently payable only to: <ul style="list-style-type: none"> <li>Psychiatry core trainees</li> <li>Payable to Psychiatry higher trainees</li> <li>Emergency medicine trainees at ST4 and above</li> </ul>	This is a premium to address a training programme that is currently hard to fill. The definition of a hard to fill specialty may change in future years. If it does change an individual in receipt of the payment retains their eligibility even if future cohorts do not. However, the value also stays constant; it does not increase or decrease if the value changes for future cohorts
GP	£9,144	£9,693	GP trainees in ST1, ST2, ST3, ST4 during GP placements only	Academic trainees are unlikely to be eligible for this whilst employed by an HEI as it is only payable during practice placements
Histopathology	£4,461	£4,729	Payable to trainees in ST1 and above only	

\* The values of the premia could be reviewed and increased (or decreased) annually in the NHS; pay premia linked to specialties could also be ceased, or new ones created. NHS Employers will issue a pay circular as and when values are revised which UCEA will translate into a pay Update for HEIs. Any increases linked to a general pay award would apply to all trainees currently in receipt of such an award; any other increases / changes would only apply to trainees joining the relevant training programmes after the change has been announced.

\*\* Depending on the length of training programme. See the NHS pay circular for details.

## 10. Additional Programmed Activities

The value of an Additional Programmed Activity (APA) is 10% of basic salary plus 10% of any CEA award (awarded before April 2018) up to level 9. Where an honorary consultant holds discretionary points or a local CEA **above** the level 9 discretionary point, the APA is capped at level 9 / Bronze level (£36,192 at April 2022 rate). Payment for an APA is therefore based on 10% basic salary plus a maximum amount of 10% of £36,192.

Local CEAs awarded between April 2018 and March 2022 (see table 12 below) are not part of an APA uplift. Local CEAs awarded from 1 April 2022 (see section 13 below) are also not part of the APA uplift.
